BEAUTIES OF OUR LEGISLATURE—COLLECTION OF TAXES.

We desire to call attention to the following conflicting sections in the "Act to provide for the Collection of Taxes" passed at the recent session of the Legislature, to show how utterly impossible it is for the people or the officers to comply with the law. Our legislators were so much engaged in defrauding the State by huge railroad appropriations, in purchasing penitentiary lands, and in securing charters and in the passage of acts for personal ends that questions of real importance were sadly neglected,

Section 25 of the act says "All taxes *shall be due* on the first day of July in each year," Section 27 reads "Whenever the taxes shall be due and unpaid, the Sheriff shall immediately proceed to collect them as follow." Here follows the usual authority to seize and sell property.

Now see the provisions of this same act looking to a compliance with the foregoing sections:

Section 20. The County Commissioners shall cause to be made out two copies of the tax lists of each township, as revised and settled by them, according to a form to be furnished to them by the Auditor of the State. Such form shall show in different columns the amount due by each tax payer to the State and to the county; one of said copies shall remain in the office of the Clerk of the Commissioners, the other shall be delivered to the Sheriff on or before the *second Monday in July* in each year, &c.

Section 26. The Sheriff in person or by deputy, shall constantly attend at the Court House of his county *during the month of September* for the purpose of receiving taxes; he shall also in like manner attend at least one day after the second Monday of July, at some place in each township, of which twelve days notice shall be given by advertisement at three or more public places in the township.

It is hard to reconcile these conflicting sections, and the evident want of attention to such important matters is a serious reflection upon the members of the Legislature.

Taxes *shall* be due on the first of July, and when due and unpaid the Sheriff *shall immediately* proceed to collect by seizure or levy and sale. Yet the official list need not come into the possession of the Sheriff until the second Monday of July, and he is not required to attend at the Court House to receive the taxes until September, two months after he is required to force the collection of unpaid taxes. Such are some of the beauties of legislation under the "new order of things."—*Wilmington Journal.*

A SENSIBLE NEGRO'S VIEWS OF THE 15th AMENDMENT.

We received yesterday a copy of the Maryville (Tenn) Republican, a weekly paper, owned, and published and edited by W. R. Scott & Co., negroes. From it we take the following article on the ratification of the fifteenth amendment. If Scott lived in Georgia, and dared to tell the truth after this homely fashion, the black Radicals would mob him, or run him off, and throw his type in the river. They would Ku Klux him instanter. We are glad for Scott's sake he don't live down here:

There is much rejoicing over many parts of the land in consequence of this addition to the Constitution. We are, we hope, thankful to Almighty God for this change for the better in our national affairs. And when we mention His name, we mean that we will give nobody or party any thanks for this blessing to our race, but to God alone.

We have no public manifestation as yet in this town. The Conservative people who alone could devoutly give thanks for this deliverance, are not likely to be considered sincere if they attempt any such measure in public. But we are constrained to think that outside of this party there exists not the least feeling of thanksgiving for the passage of the Fifteenth Amendment.

And our opinion is grounded on the unquestionable fact that most of the people contemplated in that change of the constitution are as much slaves to day, to the Radical party, as ever they were any kind of slaves in their lives before. With very few exceptions we believe that Radicals would prefer the return to the old slave system at once unless they can be masters of the colored man's vote.

We do not know of any case of evil treatment of any sort whatever to colored citizens in our neighborhood, or of one citizen against another, or of "rebel" or Ku Klux injuring the colored people.

THE MEMBER FROM SURRY AGAIN IN DISGRACE.—William H. Andrews, the colored member of the Legislature from Surry county, made his appearance in Petersburg yesterday afternoon and took up his lodgings last night in the city jail, by order of the Recorder. Andrews was discovered quite drunk in Cockade alley—just drunk enough to be very disorderly and insulting, and independent enough to set at defiance our city ordinances by firing off his pistol in the streets, to the danger of passing citizens. He was found by officer Perkinson, who demanded his pistol. Andrews refused and resisted the officer, but was quickly overpowered, disarmed, and marched to the court house under arrest. When asked for an explanation of his conduct by Recorder Williamson, he replied, insultingly, that "he did not believe he had trespassed upon this ——— defunct government," whereupon he was quickly landed in jail, to cool off for examination this morning.—*Petersburg Index.*

HOW REVELS ESCAPED HANGING.—Revels who has been the subject of such high wrought eulogy from Governor Morton and Henry Ward Beecher, is said on the authority of a prominent citizen formerly of Fayetteville, N. C., to have been an old resident of that town, and the son of a barber, in which art he is also a proficient. This gentleman stated of his own personal knowledge that Revels, while living there was charged with the crime of burglary which by the law of North Carolina was punishable with death. This being viewed as too severe a penalty, his escape was winked at so as to get rid of him without a resort to the gallows. Such is the account given of the Senator's antecedents by one who was a leading citizen of Fayetteville for many years.—[World Cor.

THE SENTINEL.

JOSIAH TURNER, Jr., EDITOR.

TUESDAY, APRIL 26, 1870.

GENERAL CLINGMAN.

We publish to-day, according to promise, the letter of Gen. Clingman, defending his consistency and assailing Hon. A. H. Jones, M. C., who, according to Mr. Clingman and that rogue, John T. Deweese, disgraced himself and the position he holds, by proposing to sell himself to George W. Swepson for one thousand dollars. But Swepson, it seems, didn't buy, because, we suppose, he had enough of that sort of stock on hand already.

This is the third communication the General has nauseated the public with in the last ninety days, in each one of which he has assailed the editor of the SENTINEL. In the one we publish to-day he complains that, to his great astonishment, we declined to open the columns of our paper to him. In his second letter he charges us with telling "falsehoods" on him; it is true, he qualifies it by saying "*petty* falsehoods," by which he alludes, no doubt, to what we said about his *age*. We shall let that pass for the present, simply remarking that we expect to substantiate what we said on that subject so soon as we can get a chance of inspecting the family record in his father's old Bible.

The man who tells "petty falsehoods," will not scruple, we think, at telling monstrous ones, such as Gov. Holden told when he recommended Hon. Robert Bridgers' petition for pardon.

In Gen. Clingman's Address to the people, he takes occasion to assail us without provocation, both as a soldier and a member of Congress. These assaults were gratuitous and altogether uncalled for. Our relations were not of a friendly character; we had not spoken for many years. During the war, when we were encamped on the same ground, waiting for a chance to get a shoot at Tim Lee, Loflin, Estes, Deweese, Brower, Ashley, French, Heaton, Abbott, Tourgee, or any one of the rascals who had invaded our soil, the General and the editor of this paper did not speak when they met even at dress parade. The difference between us grew out of politics, the General being then, as now, the aggressor.

He had threatened that, if his candidate for the Presidency, James Buchanan, was beaten, and Fremont or any Black Republican elected, that he would begin a revolution in Charlotte. He threatened to visit our house with a vigilance committee, in other words, he threatened to "Ku Klux" us if we refused to join him in the fight.—On the other hand, we had determined to kill him whenever he should come.

The year 1860, with its elections and events, brought about the contingency upon which Gov. Holden and Gen. Clingman had declared they would fight, and when they would visit with vigilance Committees, the houses of those who would not fight, or who remained true to the Union.

Gen. Clingman, however, was not so hot for the fight as he had promised to be. Gov. Ellis called out 30,000 troops, with the approbation of Gov. Holden; but General Clingman did not respond to this call; he was canvassing and electioneering for a seat in the Confederate Senate instead of shouldering his musket as he had promised he would do. (And he was some younger then than he is now.)

The General alludes to our having no stomach for the fight; he ought to remember it was his and Holden's fight, not our's, and we had to drive him into his own fight. In 1861, when we represented Orange county in the State Senate, we found the General standing in the lobby of the Senate chamber by the side of some soldiers. In a speech we made, we reminded the General and the soldiers, of the threat the General had made to visit our house with a vigilance Committee to force us into the revolution. We then and there denounced the General's course, calling him a "carpet knight" of the revolution, who was to be found in the Exchange Hotel in Richmond, Virginia, or the lobby of the Senate instead of the battlefield. We concluded our speech by calling on the soldiers to form themselves into a vigilance Committee, get behind "the carpet knight," and, with bayonets, drive him into the army.

The General left the Hall gritting his teeth and swearing more like "our army in Flanders," than the Governor did, on a more recent occasion, at the Chief Justice.

Sometime after this, the General volunteered and was always known as "Turner's recruit."

This being the relation between us, we repeat that his attacks upon us in his late letters, were unlooked for, uncalled for, and without that consideration that should have actuated him in the matter.

As to our "want of courtesy and magnanimity," in not publishing his letter, he had no claims upon us and no right to expect it. Besides, we wanted him to appear first in his own party organ, the *Standard*, and he has done so.

We now keep our promise to Mr. Clingman, made through his messenger, that we would copy his letter from the *Standard* and pay for its publication in that paper as an advertisement. We see it appears as such, so, when the bill is presented we shall pay it, and then our promises to the General, on this subject, will have been fulfilled, and our obligations at an end, in that quarter.

MORE CONTEMPT.—"Judge" Cantwell, of Wilmington, fined Jno. L. Holmes, Esq., a lawyer of high standing, practicing in his Court, one hundred dollars, on Friday last, for refusing to call Anthony Howe, a colored witness in a case, *Mr.* or *Alderman* Howe. Mr. Holmes persisted in calling him *Athony*, in the examination.

If Cantwell were to fine every man in North Carolina a hundred dollars, who has a contempt for him and his Court, he would be able to replace all the money his party has stolen from the State in the last twenty months, large as the amount is, and have enough left to reimburse the price the Rads paid for Lim.

LETTER FROM HON. T. L. CLINGMAN.

EDITOR OF THE STANDARD:—I request of you the courtesy of publishing this communication. On my arrival in this city yesterday morning, I found in the SENTINEL an anonymous article without date or statement of the place where it was written which grossly assailed me. At my request a friend of the editor of the SENTINEL called on Mr. Turner and asked him to insert a short answer to the article, which should contain no reference to him but be confined to a reply to the anonymous contributor. To my astonishment I was informed that the editor refused this. In some countries proprietors of public journals are required by law to allow all persons assailed by them to make defense through their columns. Though there is no such statute in the United States, yet the custom I think is universal with editors, to open their columns for defense to persons whom they permit to be assailed. In all civilized countries, and as far as I know in barbarous ones, an opportunity is afforded to the accused to make defense. Mr. Turner seems to form an exception to this rule, and is willing to make his columns the vehicle of attacks on individuals to whom he denies the right of reply.

The article I refer to, charges me with making contradictory statements in relation to the removal of my disabilities. A brief statement of the facts is all that is necessary to my complete vindication. Some months ago the Hon. Mr. Deweese told me that he had introduced and referred to the committee a bill for the removal of the disabilities of a number of persons, of whom I was one. I recollect that he mentioned the names of some of the gentlemen referred to in his letter, which I give below. I told him that I was greatly obliged to him for his kindness and that I hoped he would succeed in his effort. Subsequently I was told by one or two other members of Congress that they were trying to procure the removal of my disabilities, and in like manner I responded to them. I was in Washington afterwards when the bill was reported from the committee of the House, and was passed without being read, it was said, because so many names were in it that its reading would have taken up too much time. Not thinking it very likely that my name would be retained by the committee, and not feeling at all anxious about the matter, I did not cause any inquiry to be made as to whether or not I had been included in the bill. Some days afterwards I heard that the bill had also passed the Senate without being read. I therefore asked Mr. Deweese to ascertain whether my name was included in the bill certainly or not, and was told that such was the fact. Within an hour afterwards, probably, the fact became generally known, and I was told that the Hon. Alexander H. Jones, the representative from the mountain district of this State, was greatly excited about it, and had, with some other members, gone into the Senate to endeavor to get the bill reconsidered so that my name, and possibly those of some others, might be stricken out. It was soon ascertained that attempts were being made to the Senate for a reconsideration of the bill. As many persons felt a deep interest in the passage of the bill, I was appealed to and urged to arrive to prevent this. I offered to write a letter to the Senate and request that my name might be stricken out, but was advised if this were done on the return of the bill the Democratic members would generally vote against it, and with the aid of dissatisfied Republicans constitute more than a third of the House, and thus defeat the entire bill. Being urged by several members whose constituents were deeply interested in its passage, to put in a written request, and thus comply with the rule of Congress, I wrote the note to Mr. Deweese asking the removal of disabilities.

The anonymous communication in the SENTINEL, says it appears from this letter that "I knew there was a movement of the kind going on when I wrote it. Certainly I did, and so did probably a majority of the members of Congress. The letter was written after the bill had passed both Houses, and to prevent it being reconsidered. The writer of this article doubtless knew this fact but suppressed it purposely.

From the ear-marks of this communication, taken in connection with certain things I heard in Washington, I presume it was written in the interest of the Hon. A. H. Jones, the member from the mountain district in this State. I saw a publication of his some weeks ago in the SENTINEL containing insinuations and misrepresentations with reference to myself and other directly. A political friend of Mr. Jones told me that he had stated to the latter that two thirds of that publication was false. This corresponds substantially with my own opinion. The anonymous article in yesterday's SENTINEL assails at great length Mr. Deweese. It is perhaps due to him that I should publish a letter written by him at his own instance to me which explains the reasons for his course in relation to the removal of disabilities. With reference to the statement against Mr. A. H. Jones, I had heard nothing previous to the day on which I received Mr. Deweese's letter. If injustice is done in it to Mr. Jones he can have it corrected by writing to Mr. George W. Swepson, who will either confirm or contradict Mr. Deweese. The following is a copy of his letter to me:

WASHINGTON, D. C., April 19, 1870.

Hon. Thos. L. Clingman,
Willard's Hotel,
Washington, D. C.

DEAR SIR:—I understand that Hon. A. H. Jones, M. C. 7th North Carolina District is abusing me for being instrumental in having your disabilities removed. Now, I am surprised that Mr. J. should pursue the course he does towards me. He has surely not forgotten that about a year ago I was present when he wrote a letter to Mr. Geo. W. Swepson offering to appoint his nephew to the Naval Academy for him, provided he (S.,) would give him $1,000.00 for such appointment, stating that he (Jones) had been offered $1,100.00, but would make it for Swepson for $1,000 00. This letter is now in the hands of Mr. Swepson. I read it on yesterday. Now, as to the matter of your relief, I introdneed the bill for it, with that for Messrs. Shober, Fowle, Badger, Yates, Wilson, Hanes, Ransom, Graham, Jo Turner and Haywood, and I think about one hundred of the most prominent Democrats in the State, on the ground that it was wrong and unjust to deprive you of the same rights I had under the law, and that I only wish I could have had the power to have had all men made free.

Truly yours.

Signed: JOHN T. DEWEESE.

It has been denied that I advised acquiescence in the reconstruction acts. The first act, passed on the 2nd of March, 1867, and the second one directing the mode of action was passed, I think, on the 23d of March. In the interval between the two acts, I addressed a letter to Gov. Worth from New York on the 16th of March, 1867, which can be found in his letter-book from New York in the Executive office. After speaking on another subject, I referred to the reconstruction act, and advised him to make arrangements to carry it out, by calling the Legislature together, so that we might have a Convention at once. Knowing the rivalry and opposition between him and Governor Holden, using what I supposed would be the strongest argument with him, I suggested that this course was necessary to prevent the State from falling into the control of Gov. Holden and his associates.

If Gov. Worth and his friends were not sagacious enough to see their opportunity then it is at least generally seen in the State now. Following out my suggestions at that time, or at least when the opportunity was afterwards presented, would have saved North Carolina and her citizens much of evil and suffering. I had reason to believe more than a year since, that it was intended by some of my opponents, to use this letter against me if they had succeeded in the contest on the color or white line. Having been defeated, however, they now seek to misrepresent me in the other direction.

I am charged with inconsistency because I supported the platform on which Seymour and Blair were running, since it denounced the reconstruction acts. I never pretended to approve these acts, but merely advised acquiescence in them, as we could not resist them. Hence I was quite willing that they should be set aside by the people and government of the United States. A man may be willing to submit to a law, but yet desire to have it repealed and support men for that purpose. Such objections to my course as these are so feeble as to be scarcely able to merit a passing notice.

It is very singular that in none of the attacks on me for publishing my Address do I find any denials of the material facts stated in it. I do not remember ever to have written a political paper which was so generally approved by those who have read it. If it were universally read it would not be necessary for me to write a single word in its defence.

Very respectfully yours, &c.,
T. L. CLINGMAN.

Raleigh, April 22, 1870.

COTILLION PARTY AT THE WELDON HOTEL.—Capt. White, of the Weldon Hotel, purposes giving a cotillion party on the evening of the second of next month, following the Agricultural Convention here and the ladies' Fair and Feast. A large number of tickets have been sent out, and as it is the opening of the season in this section, we hope to see the party prove an elegant success. There is no more pleasant ball room in the State than the dining room of the Weldon house, and Captain White and lady know full well how to get up an entertainment of a pleasant nature.—*Weldon News.*

SENATOR SUMNER.—says the black cinch-de is not ended by the ratification of the Fifteenth Amendment. The work of agitation is not finished. Before that point is reached, negro children must sit side by side with the white in the public schools. The colors must mingle promiscuously in all places of amusement; they must share the same tables and the same beds in hotels. The doors of private houses must be thrown open to both colors upon the same terms. In a word, there must be a full and complete amalgamation of the races. This is the platform of the Radical party, and white men must face it at the polls this fall.—*Phila Ag.*

THE SENTINEL.

CITY AND STATE ITEMS.

TUESDAY, APRIL 26, 1870.

[illegible] THEO. N. RAMSAY, as Business Clerk, is authorized to make contracts and give receipts, &c.

NEW ADS.—Leach Brothers will keep on hand during the Spring, firstrate Western New York butter.

W. H. Thompson, Deputy Warden of the Penitentiary makes an announcement in relation to that Institution.

W. C. Stronach & Co. Grocers give notice of numerous fresh arrivals of goods in their line.

MISS KEENE AND HER TROUPE.—There was a good attendance, at Tucker Hall, last evening, to greet the first appearance of Miss Keene and her select Dramatic Company. The play presented was Boucicault's highly emotional Drama, "Hunted Down."

Miss Keene has attained such celebrity in her vocation as to be above the reach of ordinary criticism, and her impersonations, in a community which has had but few opportunities of witnessing the higher order of Drama, promise a rare treat. The audience, last evening, was a greatly gratified one. The thrilling character of the plot, added to the finished acting of Miss Keene,—supported by a Company of fine general merit,—were highly appreciated and admired. The hour at which we go to press of course precludes any specific mention of particular *rotes*. We will make such hereafter.

The play to be presented, this evening,—Taylor's famous Comedy of "Our American Cousin,"—is said to be the one in which the gifted Comedienne excels. Her popularity in it is evidenced by the fact that she has appeared in it over one thousand times. The sale of tickets already, as well as the general expectation, warrant us in saying that Tucker Hall will be crowded with a brilliant audience, to-night.

PAY UP.—Contemplating an enlargement of the SENTINEL at no distant day, besides otherwise improving it, we call upon those of our subscribers who, from the usual neglect in such cases, or from other cause, have neglected to pay, both in and out of the city, to comply with our terms and settle up. All business is done on a cash basis now-adays, and ours is no exception to the rule.

Those whose subscriptions have expired, or are about to expire, will find the usual sign of the red cross on their papers, and if, in a reasonable time, we hear no response, we shall be obliged to erase the name from the books and forward account for arrears—a thing we shall dislike to do, but business is business. The accounts of delinquents in the city may be found at the office ready for any emergency.

ADVERTISE! ADVERTISE!—A friend at Kinston writes us to give him the name of some man or firm, in North Carolina, where he can get a Wheat Thresher. Can any one inform us? There may be others desiring similar information.

PUB. DOCS.—We are indebted to Hon. P. E. Shober for public documents, for which he will please accept our thanks.

CHANGE OF APPOINTMENT.—It was announced last week that Elder Q. A. Ward of the Primitive Baptist Church, would preach in the Court House this (Tuesday) evening at early candle light; we are requested to give notice that the appointment is changed to the Commons Hall, to come off at the time named.

We learn from the Wilmington papers that the new Baptist Church of that city will be dedicated next Sunday, and that Drs. T. Winkler, of Charleston and Dr. T. Lubritchard, of this city, will preach on the interesting occasion.

TROOPS GOING.—The *Standard* of yesterday publishes a dispatch sent from the War Department to the Colonel of the Regiment of U. S. troops in this State, ordering a concentration of his regiment preparatorary to hasty departure for Dakotah Territory, to fight the Indians. The Company in Alexance were recalled and the troops here left by the midnight train, the baggage to follow. This is sudden and seems to indicate that increased danger from the Indians in the Northwest is apprehended.

LIFE INSURANCE—THE BROOKLYN.—We take pleasure in referring our readers to the new announcement of the Brooklyn Life Insurance Co., in our advertising columns.

The excellent General Agent for this State of this Co., Capt. A. W. Lawrence, of this city, very properly keeps prominently before the public eye the great feature of the Brooklyn by which definite Cash Surrender Values are endorsed upon each Policy it writes, so that the Policy is valuable to the insured during life, as well as to his representatives, at his decease. We have uniformly regarded this as one of these evidences of beneficent progress in Life Insurance, that challenges admiration.

The Brooklyn is a liberal, reliable institution, that grows in public esteem the more its claims are canvassed. It stands the test of the most rigid scrutiny, in all its details of administration as well as intrinsic merit. Its growth is as remarkable as it is merited, and as deserved as it is great.

WARM.—You may know yesterday was a pretty warm day, when we mention the fact that the ice cream peddlers were out with their tubs, on the streets, dealing out the luxurious compound to anxious customers.

CORNS AND BUNIONS.—Dr. Lindoman, Surgeon Chiropodist, will remain in Raleigh until Wednesday 27th inst. This is the last chance; if you have corns, bunions or bad nails, don't fail to give him a call. Dr. Lindoman refers to the citizens of Raleigh. He cures without pain or drawing of blood. Room 42, Yarborough House. Ladies attended to at their residences without extra charge. †2

TELEGRAPHIC.

Monday Evening Dispatches.

WASHINGTON.

WASHINGTON, April 25.—A report comes via Constantinople that the brigands have killed their prisoners captured near Marathon.

A special telegram to the Baltimore *Sun* says: "Letters and telegrams have been received here from Georgia which unofficially state that the people prefer the Senate bill and the military rule under it until December, rather than have the Butler administration perpetuated another year. The President, however, again expressed himself yesterday to members of Congress against the Senate bill in such strong terms, that there is a bare possibility that if it were enacted into a law he would veto it. He said that the Senate bill postponed reconstruction which he was anxious to see closed up by the admission of Georgia to representation in Congress. While he indicated no special plan, his views seemed to be those proposed in the Ingersoll bill which admits the State to representation now, and provides for the election of a new Legislature in November next.

The British man-of-war "Lapwing" reports Jordan, with six companions at Nassau, *en route* for New York. Less reliable advices report Jordan still in Cuba.

Ex-Confederates Rhett of Charleston and Geo. Parkett of Virginia are in New York *en route* for the Egyptian service. Rhett was sworn in as Brigadier General by Pasee, the recruiting officer. The Federal General Stone, who was so unfortunate at Balls Bluff, is also among Pasee's recruits.

SENATE.—A Committee of Conference has been appointed on the non-concurrence of the two Houses on the income tax bill.

HOUSE.—Kogniar call progressing. Harris of Miss., introduced a bill granting lands to certain Mississippi Railroads. A resolution postponing indefinitely the pending tariff bill, was defeated by a large majority.

The Ways and Means Committee are considering the funding bill and result reached.

WASHINGTON, April 25.—Revenue nearly a million.

Judge Chase will go to Europe after holding Court in Richmond.

The Howard corruption investigation is still confined to the Church troubles.

The 17th and 14th infantry and all recruits are ordered West.

In the Senate a petition was presented for the enlargement of the Louisville Canal.

A substitute was reported by the Committee for all the bills providing for the enforcement of the 15th amendment.

In the House a bill was introduced granting the right of the Ala. and Chattanooga R. R. to the Pacific and one granting lands to the Selma and Fernandina R. R.

Mr. Dockery of North Carolina offered a resolution declaring that the honor and good faith of the Government is pledged to the payment of all claims of the loyal people of the South who had property taken by the army, navy or Government, during the war. Objection was raised and the resolution was not entertained. Subsequently Mr. Booker of Virginia offered the same resolution and the House again by a vote of 69 to 90 refused to second the demand for the previous question and allow it to be entertained. The tariff was resumed but no progress made.

J. P. Newham of La., reported entitled to the seat from the 4th district instead of C. H. Ryan.

The N. Y. *Tribune* to-day contains news from Cuba which show great activity on the part of the insurgents, Col. Fagardo was attacked near the capital of Comaghey and suffered severely. A force of cavalry was sent to his rescue and he was enabled to return to the city.

The insurgents are reported active near Cienfuegos. A fight occurred on Easter in which the spaniards were worsted. A report was in circulation at Santiago De Cuba that Gen. Jordan had been killed while attempting to escape by a boat.

FOREIGN.

PARIS, April 25.—A circular has been issued signed by all the ministers, calling on the people to vote "yes" in the coming plebiscite.

LONDON, April 25.—It is stated that a thin slip of a board, yard long painted blue, has drifted ashore inscribed. "The City of Boston is sinking Feb 11th.

Mr. Warner, carpet-bag Senator from Alabama, in his speech Tuesday on the Georgia bill, argued that the Republican party could only perpetuate its existence in the South by drawing to its support a respectable portion of the white element. The Republican party in the South, he said, was to day in more danger from the bad men in its ranks than it was from the rebels

A NEW DISCOVERY!!

PHALON'S

"VITALIA;"

OR,

Salvation for the Hair.

CLEAR AS WATER!
WITHOUT SEDIMENT!!
OPEN TO THE LIGHT!!!

For Restoring to Gray Hair its Original Color.

PHALON'S "VITALIA" differs utterly from all the hair coloring preparations heretofore used. It is limpid, sweet smelling, precipitates no muddy or slimy matter, requires no shaking, imparts no stain to the skin. Hold it to the light and it is clear and cloudless. It leaves no mark on the scalp; yet it reproduces in gray hair the natural color that time or sickness may have bleached out of it.

☞ Phalon's Vitalia ☜

is for one sole purpose, that of reproducing, with absolute certainty, the natural color of the hair. It is not intended as a daily dressing, nor for removing scurf or dandruff; nor for curing baldness; nor for stimulating the growth of the hair.—These objects may be accomplished after the color has been fixed with the Vitalia, by Phalon's Chemical Hair Invigorator.

THE VITALIA is a harmless and unequaled preparation for the reproduction of the original hue of gray hair, and nothing else. This is accomplished in from two to ten applications, according to the depth of shade required. Sold by all druggists.

RENOVATOR!

Based on Science, Prepared with Skill,

and all the available ingenuity and expertness that the art of pharmacy of the present day can contribute. And

COMBINING IN CONCENTRATED FORM THE MOST VALUABLE VEGETABLE JUICES

Known in the history of Medicines for

PURIFYING THE BLOOD,

Imparting

NUTRITION TO THE SYSTEM,

Tone to the Stomach,

And a Healthy action to the Liver, Kidneys, Secretive and Excretive Organs.

A DYING ZOUAVE

lay breathing in last on the battle field, his companions surged on and left him alone. They knew the cause of his approaching end it was the deadly bullet. No friendly voice could cheer him to life—no human skill could save him.

Thousands of Precious Lives

are to-day as rapidly sinking, and as surely tottering on to an untimely end, in Suffering Agony, Wretchedness, and Ignorance of the cause which

Science can arrest and assuage,
Nourish into new Life and Vigor,
And cause the Bloom of Health
To dance once more upon their withered Cheeks.

DISEASE, LIKE A THIEF,

Steals upon its victims unawares, and before they are aware of its attack, posts itself firmly in the system, and through neglect or inattention becomes
a seated, and defies all ordinary or temporary treatment to relinquish
its merciless
grasp.

DO YOU KNOW THE CAUSE OF

The wasted form—the hollow cheek?
The wild eyed face—the shallow complexion
The feeble voice—the sunken, glassy eye?
The emaciated form—the trembling frame?
The treacherous pimple—the torturing sore?
The repulsive eruption—the inflamed eye?
The pimpled face—the rough colorless skin?
and debilitating ailments of the present age?

The answer is simple, and covers the whole ground in all its phases, viz: the

FANGS OF DISEASE

AND

HEREDITARY TAINT

ARE FIRMLY FIXED IN THE

FOUNTAIN OF LIFE—THE BLOOD.

The

INDISCRIMINATE VACCINATION

during the late war, with diseased Lymph has

TAINTED THE BEST BLOOD

in the entire land. It has planted the germ of the most melancholy disease in the veins of men, women and children on all sides, and nothing short of

A HEROIC REMEDY

will Eradicate it root and branch, forever. Such a Remedy is

HENRY'S

CARBOLIC

CONSTITUTION

RENOVATOR.

ON REACHING THE STOMACH it assimilates at once with the food and liquids therein, and from the moment it passes into the Blood, it attacks disease at its fountain head, in its germ and maturity, and dissipates it through the avenues of the organs with unerring certainty, and sends NEW AND PURE BLOOD BOUNDING THROUGH EVERY ARTERY AND VEIN.

The tubercules of Scrofula that sometimes flourish and steal the inner coating of the abdomen, like kernels of corn, are withered, dissolved and eradicated and the diseased parts nourished into life. The Torpid Liver and Inactive Kidneys are stimulated to a healthy action and their natural functions restored to renewed health and activity.

Its action upon the blood, fluids of the body, and Glandular System, are

TONIC, PURIFYING AND DISINFECTANT,

its touch disease drops, dies, and the victim of its violence, as it were

LEAPS TO NEW LIFE.

It relieves the entire system of Pains and Aches, enlivens the spirits, and imparts a
Sparkling brightness to the eye,
A rosy glow to the Cheek,
A ruby tinge to the Lip,
A clearness to the Head,
A brightness to the Complexion,
A buoyancy to the Spirits,
And happiness on all sides.

Thousands have been rescued from the the verge of the grave by its timely use.

This remedy is now offered to the public with the most solemn assurance of its intrinsic medicinal virtues, and powerful healing properties

FOR ALL AFFECTIONS OF THE

Kidneys, Retention of Urine,

And Diseases of Women and Children,

Nervous Prostration, Weakness, General Lassitude and loss of Appetite, it is unsurpassed.

IT EXTINGUISHES

Affections of the Bones, Habitual Costiveness, Debility, Diseases of the Kidneys, Dyspepsia, Erysipelas, Female Irregularities, Fistula, all skin Diseases, Liver Complaint, Indigestion, Piles, Pulmonary Diseases, Consumption, Scrofula or King's Evil and Syphilis.

ALEXANDER JOHNSON, Jr.....SECRETARY.
DR. E. A. ANDERSON.....MEDICAL DIRECTOR.
WM. A. WRIGHT AND C. M. STEDMAN.....ATTORNEYS.
HON. ELIZUR WRIGHT.....CONSULTING ACTUARY.
REV. B. F. MARABLE.....GENERAL SUPERVISING AGENT.

THE PRINCIPAL OFFICE OF THE COMPANY IS LOCATED IN WILMINGTON, NORTH CAROLINA, No. 5, NORTH FRONT STREET.

THIS COMPANY WAS CHARTERED BY THE LEGISLATURE OF NORTH CAROLINA IN February 1869. The Charter is perpetual, and is very liberal in its provisions.

CAPITAL STOCK $300,000,

WITH PRIVILEGE TO INCREASE IT TO

$1,000,000.

The Board of Directors beg leave to say to the people of North Carolina, that this is emphatically A "HOME INSTITUTION." The Stockholders are all North Carolinians; the members of the Board of Directors are all North Carolinians; the officers of the Company are ALL NORTH CAROLINIANS; and the Agents of the Company are all North Carolinians.

Most of the States of the Union, in which Insurance Companies are located, require a heavy deposit from Companies located in other States before being allowed to do business in them; and the Board of Directors of this Company, believing that it was nothing more than "EVEN HANDED JUSTICE" that the Legislature of North Carolina should pass a law requiring such Companies located outside of this State to make a deposit with the Treasurer of the State before being allowed to do business in it, petitioned the Legislature at its late session for the passage of such a law, but that Honorable Body turned a deaf ear to our humble petition and refused to do so. Now, we humbly submit that if it is just and right that Insurance Companies LOCATED IN NORTH CAROLINA should be required to make a deposit with the Treasurer of any of her sister States before being allowed to do business in them; then it is equally just and right that Insurance Companies located in such sister States should be required to make a deposit with the Treasurer of North Carolina before being allowed to do business in this State. The Legislatures of other States afford

PROTECTION TO THEIR INSURANCE COMPANIES,

and why in the name of common justice should not the Legislature of North Carolina do the same thing? Has the time not yet come when the "Rip Van Winkle of the South" should wake up? Are the people of the "Good Old North State" to remain forever behind their neighbors in the MARCH OF IMPROVEMENT? Why is it that we cannot establish Institutions of our own and protect and support them, and thereby keep our money at home to benefit our own people, in the same manner that the citizens of other States do? Look at the hundreds of thousands of dollars which go out of the pockets of the people of North Carolina annually, to enrich the Insurance Companies and benefit the people of other States; and what is worse than all, it goes to benefit the people of States which refuse to allow NORTH CAROLINA INSURANCE COMPANIES to do business in them without making a heavy deposit. We have not a single word to say against the insurance Companies of other States; but as the Legislature of other States afford protection to their Insurance Companies, when such companies in this State are refused protection by our Legislature, we humbly submit that it is the duty of the people of the State to patronize and SUSTAIN OUR OWN COMPANIES; for by doing this they are but simply doing justice to themselves.

The Board of Directors and Officers of this Company assure the people of North Carolina that the Company commences the work of Life Insurance upon a SOUND AND RELIABLE Basis; and they hereby pledge their honor that the management of the affairs of the company shall be such as will give perfect security and safety to all who may patronize it.

Our Table rates were calculated by the Hon. Elizur Wright, the world-renowned Actuary, and may be relied upon as being correct.

Thus being a "HOME INSTITUTION," we have no long list of Directors and Stockholders, composed of distinguished gentlemen of other states to spread before you; but we have a respectable list of Stockholders, all of whom are North Carolinians, and a large portion of them will be recognized as being some of the BEST CITIZENS OF THE STATE. Nor have we a long array of names of eminent gentlemen abroad to refer to; but we respectfully refer to the good citizens generally of this community.

The insuring public should not allow itself to be deceived with regard to the term "Annual Dividends." Many companies using this expression mean that their dividends are "annual" AFTER THEY ONCE BEGIN TO PAY THEM AT ALL; but they DO NOT BEGIN TO PAY until the settlement of the third, fourth, or fifth premium.

One hundred Dollars paid in dividends at the end of *one year*, and each year thereafter, equals FOUR HUNDRED AN. THIRTY-SIX DOLLARS paid at the end of FOUR YEARS, interest at six per cent.

Protected by Copy right for 28 years from May 6th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivaled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

$100,000 DEPOSITED WITH THE INSURANCE DEPARTMENT OF MISSOURI.

THE MOST SUCCESSFUL CASH COMPANY IN THE WEST!

The Stock of this Company is owned by the Capitalists of Louisville, Ky., and St. Louis, Mo. It is emphatically a Western and Southern Institution.

The DE SOTO has no desire to exalt its merits over those of other good Companies, nor to prosper on the decline of others, laboring in the same fields, and for the same grand object. Confident of its equal advantages with others, of whatever age or standing, it is willing to labor honorably for success, and hopes to deserve the public confidence by its energy, industry, and liberal spirit.

From the Missouri Republican.

"Few Companies have started out with such gratifying and flattering prospects of success, and under such favorable auspices. The Company has been extremely fortunate in the selection of its Directory. Its President, JAMES H. LUCAS, needs not a word of commendation from us. He enjoys a general reputation as a gentleman of wealth, unquestioned integrity, practical good sense, sound judgment and splendid business capacity.

The Directors rank among the first class of our merchants, bankers and citizens as men of capital, financial ability and experience; men of probity and unblemished reputation. UNPREGEDENTED SUCCESS

Medal Awarded by the Paris Exposition, 1867.

THE AMERICAN COMBINATION Button Hole & Sewing Machine

Has been honored with the *highest award* in premiums and diplomas wherever entered for competition at *fairs* and *exhibitions* held during the past season.

THE SIMPLICITY, EASE AND CERTAINTY with which this machine operates, as well as the uniform excellence of its work, throughout the entire range of Sewing, in

Stitching, Hemming, Felling, Tucking, Cording, Braiding Quilting, Gathering & Sewing on, Overseaming, Embroidering on the Edge, and its Beautiful Button-Hole and Eyelet Hole Work.

Place it unquestionably far in advance of any other similar invention.

It is also the CHEAPEST intrinsically, as well as the BEST, since it is really TWO MACHINES combined in one, (by a simple and beautiful mechanical arrangement never before accomplished by human ingenuity,) making either the Lock Stitch or Button-Hole Stitch, as occasion may require. It is, at the same time, simple in construction, comparatively noiseless, easily understood, and in a word it combines with these ADVANTAGES, EXCLUSIVELY ITS OWN, THE MOST DESIRABLE QUALITIES OF ALL OTHERS.

The public are invited to examine this remarkable machine at MRS TOMPKINS' Boarding House, (Mrs. Thompson's old stand,) Fayetteville Street, and at Watson's Photographic Gallery.
